## Join a Small Group and Grow in Community

### Spring 2010

January - May

And they devoted themselves  
to the apostles' teaching and  
fellowship, to the breaking of  
bread and to prayer.

Acts 2:42 (ESV)

## Four Types of Small Groups:

**Covenant Groups** focus on **authentic community and Bible study**. We gather for **fellowship, study of God's Word, encouragement, and prayer**. Typically made up of 6-15 people.

**Men's Groups** are designed to help create a **Gospel Community** in which the **message of the Gospel transforms our lives** in such a way that participants become **mature disciples who are able to make disciples**.

**ANCHOR groups** in which women dig deeply into God's Word, and are deeply **committed to "doing life together."** This is accomplished in personal study, dedicated teaching, small group participation and one-on-one meetings between shepherding leaders and the women in their groups.

**Women's Bible Studies** are intergenerational, with emphasis on study of God's Word and building community.

Find women's ministry details at [www.christcovenant.org](http://www.christcovenant.org).
