Doctrine	Basic Christianity	Named a "Book of the Century" by Christianity Today "If Jesus was not God in human flesh, Christianity is exploded," writes John Stott. "We are left with just another religion with some beautiful ideas and noble ethics; its unique distinction has gone." Who is Jesus Christ? If he is not who he said he was, and if he did not do what he said he had come to do, the whole superstructure of Christianity crumbles in ruin. Is it plausible that Jesus was truly divine? And what would that mean for us? John Stott's clear, classic book examines the historical facts on which Christianity stands. Here is a sound, sensible guide for all who seek an intellectually satisfying explanation of the Christian faith. Doctrine	Evangelism and the Sovereignty of God	If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? J. I. Packer shows in this new edition to the popular IVP Classics how both of these attitudes are false. In a careful review of the biblical evidence, he shows how a right understanding of God's sovereignty is not so much a barrier to evangelism as an incentive and powerful support for it.	J.I. Packer	<a href="http://www.amazon.com/Evangelism-Sovereignty-God-J-Packer/dp/083083799X">http://www.amazon.com/Evangelism-Sovereignty-God-J-Packer/dp/083083799X</a>
