

Senior Pastor Search Team

FEBRUARY 2017 UPDATE

Activities

Your Senior Pastor Search Team (SPST) thanks you for prayerfully supporting its efforts. We are encouraged and strengthened by your prayers, and are eager to update you on the ways the Lord has led the team and His Church over the past month. We believe that He used the work of the Focus Groups to prepare the team for great unity around the search process.

As the SPST spent significant time in prayerful alignment around the Future Aspirations of Christ Covenant Church and Senior Pastor Profile documents, we believe God prepared our hearts to discern among many godly and gifted potential candidates. We also see how the Lord moved among the SPST to coordinate personal schedules and grant us harmony, making it possible for the team's work to be done efficiently.

Key activities that have prepared us to enter Phase IV include:

- 1) Prayerful research conducted by sub-teams and the SPST at large (via sermons, written materials, and seeking perspectives from leaders in Christendom at large and denominational leaders) and consideration of all potential candidates, using the Senior Pastor Profile document as a guide for potential candidate evaluation and vetting;
- 2) Contact with a select group of potential candidates, including discussions and interviews;
- 3) Narrowing of the group of potential candidates to focus on one candidate;
- 4) Multiple occasions for representatives of the SPST to meet, interact, and hear him preach; and
- 5) A meeting to update Dr. Ross and seek his counsel on the apparently accelerated timeline.

As we continue in Phase IV (Interview, Selection & Calling), we need your fervent prayer as we seek God's will. In order to protect their ministries, we ask you to please refrain from speculation about any potential candidates.

Prayer

Answered Prayer:

- ✓ Praise the Lord for fruitful interactions with potential candidates, including the candidate we are now focusing on.
- ✓ Thank Him for a wonderful unity that the SPST continues to experience by and through the Holy Spirit.

Prayer Requests:

➤ **For the SPST:**

Please pray for wisdom and clarity as the talks, interviews, reference checks and information exchanges continue.

➤ **For Christ Covenant Church:**

Please pray for the transition for our church body, including Mike and Jane Ross, our future pastor and his family, Christ Covenant Church staff, Elders, Deacons and the entire congregation, that God would prepare us for the person He has for us in His perfect timing and grant great unity.

➤ **For the Candidates:**

That God will reveal a clear internal and external call to the man whom He would have come to advance the gospel at Christ Covenant Church.

Exhortation:

“Behold, how good and pleasant it is when brothers dwell in unity!”
--Psalm 133:1
