

WELCOME TO THE CHRIST COVENANT VIRTUAL SANCTUARY CHOIR REHEARSAL

From John Haines: *On behalf of the Sanctuary Choir, I want to thank you for your interest in the Virtual Choir. It is important to know that I am not out to foster a sing-a-long group that will act and feel as an appendage to the "real" choir. On the contrary, the Virtual Choir option is an attempt on my part to give you an opportunity to study on your own, under my supervision, and become a bona fide member of the choir family. You will be able to serve the Lord as skillfully as anyone. You will simply be rehearsing at a different time. It is my pleasure to serve the Lord by serving you so never hesitate to call me with questions - 704-280-4703 (cell).*
