## THIS WEEK'S HIGHLIGHT

### **Blessing the Children**

*For the promise is for you and for your children and for all who are far off,  
everyone whom the Lord our God calls to himself. — Acts 2:39*

Next Sunday evening, our worship will include our traditional time for our families, and all those who count children among their closest loved ones, to ask God to guide and bless each child as they take on the challenge of learning for the 2017-2018 school year.

Please fill out a Blessing the Children prayer card (included in this worship folder) with the name(s) of the children whom you would like our pastors and elders to remember in prayer during this new school year, along with any specific prayer requests for them and bring it with you to worship next week. As always, each of your prayer requests will be handled with respect and confidentiality.

During the service, you will be invited to gather with your children for a brief time of prayer with an elder. All the Blessing the Children prayer cards that we receive will be distributed to the members of the Session. Individual elders or pastors will be committed to regular prayer during the entire school year for the children whose cards they receive. It is their privilege to pray for God's blessing on our church family in this way.

Your prayers are needed, too. Pray for the opening of school in public, independent, charter, Christian, cottage-based, computer-based, and home-based settings. Remember both students and parents and all those who are called to serve as educators in classrooms and as administrators. Their influence on the lives of students cannot be overstated.
