FAITHFULNESS UNTO DEATH

Revelation 2:8-11

Pastor Kevin, 9/18/22

Big Idea: We must be faithful to Christ, even unto death, and he will give us the crown of life.

Three Applications:

1. Pray for the persecuted Church.
2. Remain faithful even in our limited persecution.
3. Remember that the first death is not the enemy.

Read 2 Tim 3:12. Has suffering for Christ ever taken you by surprise?

What temptations arise when you face trials? How can we fight them?

Kevin said, “If only everyone could live knowing deeply this one true fact: The first death is not avoidable. The second death is.” What are some lies that our culture buys into about death?

Kevin said, “The vision of the one who sits on the throne is the antidote for everything that challenges the churches in chapters 2-3.” How does a vision of Christ on the throne help us persevere amid trials?

How often do we remember to pray for the persecuted church around the world? What can we do to grow in this area as a group?
